

HL 2-2 L

Desk Mount Tischhalter

- The image contains four numbered callouts labeled A, B, C, and D, each pointing to a different type of fastener. Callout A points to a standard bolt with a flat head. Callout B points to a bolt with a countersunk head. Callout C points to a bolt with a hexagonal head. Callout D points to a bolt with a square head.

- M6x12 (3x)
M5x12 (4x)
M4x12 (4x)
M4x5 (4x)
