with the
Tuya APP

Folding Suspension Bracket for Flat Screens with **SMART HOME control** + RF remote control

New members in the Tuya Smart Home family.

Once mounted under the ceiling, you can determine the direction and angle of the bracket from a distance. If you ever need more space, simply position the bracket flat under the ceiling.

With the Tuya App you have a uniform standard for different SMART HOME products.

- * Smart Home control with the Tuya APP
- * Collision Avoidance System: protects against accidents and injuries
- * With 180° rotate function
- * Save desired position with the memory setting

2-IN-1

TABLET HOLDER for wall mounting or as desk stand with anti-theft protection

HT 32 L

And your tablet is safe

The 2-in-1 Universal Tablet Stand can be fixed as a stand or mounted individually to the wall.

Use the HT 32 L e.g. at the sales counter, information terminal, as an operating terminal for products or POS cash register systems. The focus is on the safety of the device. Because of anti-theft protection including a key, you can present your tablet in public without any worries.

A must-have in retail, hotel or restaurant wherever you want to present products or want to share informations.

for most 7,9" - 10,5" (20 - 26,7 cm) tablets
