feel THE SOUND

Experience the feeling of being right in the middle

*15° tilt angle
anti-vibration TPR material*

Speaker Tabletop Stand

Give your speakers the finishing touch.

With the loudspeaker stands being inclined at a 15° angle the sound of the speakers is aimed directly at your ears. The stands are made of vibration-damping TPR material und minimize unwanted vibrations and resonances.

- △ 15° tilt angle to ensure the full listening experience
- △ Fits most loudspeaker models
- △ Anti-vibration TPR material minimizes unwanted resonances
- △ Perfect for any desk, chest of drawers or sideboard
- △ Stable hold of the boxes due to the compact base
